C.H.I. OVERHEAD DOORS WAS BUILT ON THE IDEA THAT GARAGE DOORS SHOULD BE EXCEPTIONAL IN QUALITY, CRAFTSMANSHIP, AND VALUE. It was true when the first garage door was manufactured in 1981 and is still true today.

From the beginning, C.H.I. set out to be a different kind of garage door company. One that not only builds garage doors, but that also celebrates heritage, tradition and values. That is why C.H.I. continues to sell through knowledgeable, professional installing distributors who are committed to improving customer satisfaction.
